Dear Parent/Carer,

Re: Important news for Cathedral Academy

We have some important news regarding the next steps for Cathedral within Trinity Multi-Academy Trust (MAT). All our academies are united by common values and a commitment to teaching and learning excellence.

The ethos of the trust is simple – to ensure that the young people in our care fulfil their potential. Everything we do is in pursuit of that one aim. Our foundations are secure, formed by our commitment to inclusive education, extremely high standards for all, and never accepting that ‘we can’t’. Indeed, we strongly believe that we can, whatever the challenge might be.

While recognising that each school is a unique part of its local community, with a distinct character and culture, we are to bring all our academies together under the Trinity MAT name. Therefore Cathedral Academy will change its name to **Trinity Academy Cathedral from 1st January 2021**.

Already part of the wider organisation, Cathedral benefits from the excellent resources and support Trinity MAT has to offer, from investment in our students and staff, to improvements in our school buildings, all contributing to the best educational provision for our young people. The progress and attainment brought about by the Trinity MAT ethos resulted in Cathedral Academy being awarded TES Secondary School of the Year in 2019.

The school logo will change slightly to incorporate the new name, and therefore some uniform items will also be updated, however, this won’t be introduced until the start of the Autumn term, from September 2021. More information will follow with regard to uniform.

We hope you will embrace this change and we look forward to taking Cathedral through the next stage of its journey within Trinity Multi-Academy Trust.

Best wishes,
