## Year 11 college applications & career appointments

It's a really busy time for our year 11 students as they prepare for the next steps of their journey after they leave Trinity Academy Cathedral.

In the careers department we started career interviews for year 11 students at the beginning of September 2020 and I am pleased to say that the majority of them have now had one. Year 11 students have also been completing college applications. More than  $\frac{3}{4}$  of the year group have now applied with a good number having secured an offer.

As always, we are available to assist students whether that be help applying to college or looking for a suitable course / apprenticeship. You know where to find us!!

It's not too late to get your college application in – most colleges are still accepting applications (with the exception of New College Pontefract whose deadline was the end of February)

## Year 10 career appointments

After the Easter break year 10 students will start to have career appointments with Mrs O'Sullivan. This will either be a one to one or group appointment to discuss career ideas and plans with the careers adviser. Whether you are just getting started thinking about your future or have some clear ideas we can help.

## Year 10 mock interviews

Every year 10 student will be participating in a mock interview this academic year. These will take place at the end of June. More information to follow.

## Year 9 Options

It is a very exciting time for Year 9 as 'Options 2021' has now been launched. The process involves students following different pathways but in the summer term collectively finding out their programme of study for the rest of their time at Trinity Academy Cathedral. Staff are now supporting students to find out as much as they can about all the available courses. After the Easter break, the system opens for students to make their informed choices about what courses are the best options for them.

## Enrolment information for year 11's

### **Barnsley College Enrolment – submit your GCSE/BTEC qualifications**

If you have accepted a place at Barnsley College you will have already received information on how to do this and the process for enrolling onto your chosen course. You will be contacted by a member of college staff at the arranged time and date to complete your enrolment. Didn't get the results you wanted? Don't worry, Barnsley College offer courses at all levels and they are sure to have one to suit you. If you are worried about your grades or have any other concerns about going to Barnsley College, please contact Jo Thornton, College Adviser, on [j.thornton@barnsley.ac.uk](mailto:j.thornton@barnsley.ac.uk) or call on 01226 216 292.

**New College Pontefract Enrolment** – Wednesday 26 August and Thursday 27 August 2020. You will receive an enrolment letter with a specified time and date.

### **Wakefield College Enrolment**

Enrolment takes place for all courses at either Wakefield City Campus or Castleford Campus, including courses based at Thornes Park Campus & Lightwaves. If you haven't made an application or haven't received a letter inviting you in to enrol with a time and date, then call 01924 789111 for details of how and when to enrol. If you want to enrol on an apprenticeship, then please call the Apprenticeships Team on 01924 789469. As well as giving students an idea of what work you will be doing on the course, there are contact details for tutors in each department so students can get in touch if you have any queries – please use the link below
