

## Fair Banding Assessment Supplementary Guidance Trinity Academy Cathedral

**This information relates to entry into Year 7 in 2023 (as part of our consultation)**

*Before continuing, please view our Fair Banding video for a full explanation of how Fair Banding works - follow this link <https://vimeo.com/654067744/e6d417b1cdh>*

For pupils interested in applying for a place at TAC, parents/carers will notified of the procedures dependent on the outcome of the consultation.

Note: Applicants can only sit the Fair Banding Assessment once.

**Applicants who sit the Fair Banding Assessment will be considered for admission first.**

Any applicants who choose not to sit the Fair Banding Assessment will be 'non-banded' and will be ranked in order of priority (after all of the banded applicants), with the level of priority then determined with reference to the oversubscription criteria (see the Admissions Policy relating to your school of preference).

The results of this assessment will be used for the purpose of assisting the academy in placing applicants into one of four bands (1-4) dependent on their Fair Banding Assessment score. The boundaries of each band reflect national benchmarks. We will admit the required number from each band based on the spread of ability of those applying.

The assessment is externally set by a well-established educational assessment agency and the papers are collected by the agency to be marked. The academies are then provided with a list of each child's assessment mark, similar to an IQ score, with 100 being the average. The marks are divided into four bands and we are instructed how many children to take from each band e.g. if 40% of those applying are identified in band 2, then 40% of our intake has to be from this band. This ensures that the places offered reflect the ability range of our applicants.

The assessment is not a traditional entrance exam which children either pass or fail; it is done to ensure that our intake exactly matches the ability profile of the children applying.

TAC offers 210 places each year.

***Important information - an application to sit our Fair Banding Assessment is not an application to attend a Trinity school – please refer to your local authority's website for information on how to apply for a place at a secondary school.***
