

**ODYSSEY**

..bring on the trial!

**EMPATHY | HONESTY | RESPECT | RESPONSIBILITY**

The Odyssey of Homer is a Greek epic poem that tells of the return journey of Odysseus to the island of Ithaca from the war at Troy. The war lasted for ten years and Odysseus then spent a further ten years getting home. Within the middle section of the poem, Odysseus describes all the challenges that he faced on his journey.

As one of our new Year 7 students who is embarking on their Trinity Academy Cathedral journey, we have set you **14 challenges** to support your transition, your development, and to encourage you to participate in all of the opportunities we offer. The Cathedral Odyssey contains a wide range of challenges, from having brilliant attendance, receiving lots of achievement points and reading plenty of books to attending developmental events, attending clubs and fundraising for charities.
