3. Curriculum Delivery

3.1 Classroom policy

- All students will follow a broad and balanced curriculum offer within individual curriculum areas which aims to not only prepare students for national exams but that also deepens their understanding of the subject and builds the skills needed for success academically and in the future workforce.
- All students will be expected to complete all tasks set in lessons, and in addition complete weekly homework for each subject.
- If a student is absent, it is their responsibility to catch up on missed class work / homework. The class teacher will support the student to ensure they are provided with all relevant resources.

3.2 The Trinity Experience policy

- In addition to timetabled academic subjects, all students are engaged in our Cathedral Character Journey which aims to develop their spiritual, moral, social and cultural understanding.
- Our unique Character Journey encompasses the clearly planned defining experiences that every student at Cathedral will take part in from when they join the community to when they leave in Year 11. The content of the curriculum for life programme will be decided via analysis of a range of data available which gives evidence as to the education gaps students may have and is tailored to the specific needs of different age groups. Data will be taken from avenues such as the yearly bullying survey, analysis of the types of referrals made to the safeguarding team and pupil voice.
- All students in Years 7-9 have a core PSHE lesson programme will be delivered. For Years 10 and 11 it is delivered through a rolling programme in lesson time, assemblies, form time and collective worship.
- Sex and relationships education, drugs and alcohol education and careers education will be provided through a variety of drop down days, assemblies and smaller group sessions where needed in addition to PSHE.
- As part of the Character Journey, students will have the opportunity to partake in cultural trips, visits and residential trips, based on their interests and needs.
- The academy values of Empathy, Honesty, Respect and Responsibility play an integral part in the Character Journey and all students and staff take part in a daily two minute silent reflection, aimed to provide space and time for thinking and reflecting on a world event.
- These values are underpinned by annual whole school events such as the whole school act of remembrance, the Church visits and Easter service. These events also reflect the academy's religious ethos.

3.3 Religious Education policy

- All students study a core RE programme. The programme comprises the teachings of a variety of religions and links to wider topics which broaden students' spiritual and moral education.

3.4 Involve

- Education outside of the classroom is integral to the Trinity Experience, and all year 7-9 students will take part in a minimum of one extra-curricular 'involve' club each week. Attendance at this club will form an integral part of the Y7 Odyssey programme and Y8-9 Graduation programme.

reinforced in year 7, 8 and 9 through our bookletised curriculum, which will be rolled out to all year groups over a multi year plan.

- The importance of vocabulary is valued by the academy. All students are exposed to new vocabulary through the 'word of the week' and through the reading of challenging and varied texts.

5. Grouping of students

5.1 Year 7, 8 and 9

- Students are set separately in Maths and Core groups based on a combination of their Key Stage 2 assessments from Primary school, baseline assessments taken at the start of Year 7 and CATs tests. Lessons in these subjects are 'blocked', so as to allow for set changes if the need for individual students arises. Decisions on set changes will be made between the class teacher, curriculum leader and deputy curriculum leader where appropriate. For all other subjects students are in 'teaching groups' where they are streamed according to Key Stage 2 scores. Students will be with the same class for all of these lessons.

5.2 Year 10 and 11

- Students choose four option choice subjects as detailed above at the end of Year 9. In the core subjects of English, Maths, Science and Humanities students will be set based on prior attainment. Where timetabling allows students may also be set in MFL. All options subjects and core PE are taught in mixed ability groups.

6. Monitoring and review of the curriculum

Monitoring of standards, systems and teaching and learning across the Academy is the responsibility of the Senior Leadership Group. Monitoring of the quality of lessons on a daily basis is the responsibility of the Curriculum Leadership Team. Each subject has ongoing Quality Assurance throughout the year via learning walks, lesson observations, work scrutinies, student voice and weekly SLG link meetings. Overall curriculum is reviewed yearly.
