<b>Date or review:</b>	May 2024
<b>Date of next review:</b>	May 2025
<b>Lead professional:</b>	Chief Finance Officer
<b>Status:</b>	Non-Statutory
<b>Name and role of nominated member of staff acting as Manager for the purposes of this Policy:</b>	Michael Guilfoyle, Premises Manager

## 1. Introduction

- 1.1. This policy outlines the arrangements that are in place to facilitate lettings and community use. Not all academies or organisations in the trust are able to let their facilities, and the contact on the front page of this policy will be able to advise on what facilities are available at their premises.
- 1.2. The Members, Board of Directors and Local Governing Body (LGB) recognise that the primary purpose of trust facilities is to provide accommodation for the teaching, learning and welfare of its students. The needs of the students are paramount and will always take precedence over external lettings.
- 1.3. However, when not required for their primary purpose, trust premises and facilities represent a significant capital investment and should be fully utilised. They are a valuable community resource and (potentially) are a source of income and may be offered for private or commercial usage. As a community asset, each LGB and will make every reasonable effort to enable facilities to be used as much as possible.
- 1.4. An academy's delegated budget (which is provided for the education of its students) cannot be used to subsidise any lettings by community or commercial organisations. A charge will be levied to meet the additional costs incurred by an academy in respect of any lettings of the premises.
- 1.5. As a minimum, the actual cost to an academy of any use of the premises by an outside organisation must be reimbursed to the academy's budget.
- 1.6. This policy incorporates the Community Use Management Policy.
- 1.7. The Principal is responsible for the overall management of lettings including community use in accordance with this policy. The Principal may delegate all or part of this responsibility to other members of staff, whilst still retaining overall responsibility for the lettings process.

## 2. Lettings

- 2.1. Where an academy has the facilities and resources that are available for letting the terms and conditions under which facilities may be hired are outlined in **Appendix 1** of this document; 'Conditions of Use'.
- 2.2. The definition of a letting is "*any use of the academy premises (buildings and grounds) by a community group (such as a local music group or football team), an individual or group of individuals, or a commercial organisation (such as the local branch of 'Weight Watchers')*". A letting must not interfere with the primary activity of the academy.
- 2.3. Use of the premises for activities such as staff meetings, parents' meetings, LGB meetings and extra-curricular activities of students supervised by academy staff, fall within the 'business use' of the academy. Costs arising from these uses are therefore a legitimate charge against the academy's delegated budget.
- 2.4. It is recognised that the Local Governing Body (LGB) and Principals cannot personally vet every applicant or organisation who wish to make use of the academy premises. Accordingly, they have delegated the authority to accept applications for hire (of this academy's facilities) to the nominated Manager named on the front page of this policy.
- 2.5. Each academy will operate a fair lettings policy that does not discriminate on grounds of race, colour, religion, ethnicity, sexuality, gender, age or disability or other protected characteristic as defined by the Equality Act.
- 2.6. No member of staff, except for the Principal (or their representative) is allowed to vary the terms and conditions under which the academy premises are hired to either individuals or organisations or to deviate from the published charging policy.
- 2.7. All formal hiring of the school's premises, including those for which no charge is made, shall be properly documented. All hirers **must** complete a Lettings Agreement shown in **Appendix 2** and are to receive a copy of the 'Conditions of Use' as per **Appendix 1** in advance of signing the form. The Lettings Agreement is an enforceable contract.

## 3. Usage and charges

- 3.1. The academy's Local Governing Body is responsible for setting lettings charges. The charge will cover:
- Cost of services (heating/lighting)
  - Cost of staffing (security, caretaking, cleaning, reception/customer service staff and their 'on-costs')
  - Cost of administering the letting
  - Cost of 'wear and tear'
  - Cost of use of academy equipment (if applicable)
  - Profit element (if and where appropriate)
- 3.2. Where there are multiple lettings taking place at the same time, the costs for services and staffing will normally be shared between the organisations involved. The specific charge levied will be reviewed annually, for implementation from the beginning of the next financial year, with effect from 1 September of that year. Current charges will be provided in advance of any letting being agreed.
- 3.3. Priority usage. The trust has adopted the following categories of priority user:
- Staff/employees of the trust
  - Designated Users; e.g., registered charities or community activities
  - Private Users; e.g., private businesses, profit making ventures, private functions, and commercial fund raising.
- 3.4. The nominated Manager as show on the front page of this policy has delegated responsibility to determine designated users. (This may be with referral to the trust's Chief Finance Officer). They will determine the suitability of applications and the outcome of application decisions shall be reported to the Local Governing Body, if required. Each academy will maintain a list of approved organisations, which may be shared across the trust, if required. This does not preclude the nominated Manager, or their representative from referring sensitive applications to the Principal for his/her decision.
- 3.5. Scale of charges. In agreeing the scale of charges, the following principles have been applied:
- Staff/employees will be charged no more than cost.
  - Designated users and private users will be charged on a cost plus an income margin for the academy.
  - There will be parity of treatment for similar users.
  - The overall cost-plus margin of letting the academy facilities will be recovered from users.
- 3.6. For the purpose of charging the nominated Manager will determine to which group any particular individual or organisation belongs. The basis of charging will be determined by the purpose for which a letting is arranged.
- 3.7. VAT. The VAT rulings have changed recently for registered charities.As a trust we are registered as a charity and due to this the letting of facilities for sporting use and musical/drama performances are exempt of VAT. Certain other events (like Prom events) are applicable to VAT. If the application of VAT is queried the Finance Manager/Officer should be contacted for clarification.
- 3.8. Discounts to the advertised scale of charges may be applied for multiple bookings, as agreed by the nominated Manager. There will be parity of treatment for similar users.
- 3.9. The External Hire and Usage Charges for this academy are detailed in **Appendix 3** of this policy. This document also details the facilities that are available to hire from this academy.
- 3.10. If there is misuse of the facilities or behaviour deemed inappropriate by academy staff, the Principal, the nominated Manager or other nominated staff, have the delegated authority to refuse entry or ask users to leave the site.

#### **4. Community Use period**

- 4.1. The opening hours for community use are in accordance with planning statements and other statutory instruments. The opening times for this academy are detailed in **Appendix 4** of this policy.
- 4.2. All times are subject to availability and agreement by the individual academy.

- 4.3. In operating facilities for community use each academy will:
- Provide clear guidance on lettings and the hire of its premises and equipment.
  - Enable the community to have lifelong learning access to the academy site and premises.
  - Promote the use of the academy's facilities by the wider community.
  - Ensure that the out of hours use of the academy site is not subsidised by the academy budget and is sustainable.

## **5. Minimum Charges, Deposits and cancellations**

- 5.1. The minimum hire period will be one (1) hour.
- 5.2. An academy reserves the right to require a deposit over and above the hiring charge as security against damage to the premises (including any equipment) or the premises being left in an unacceptable condition which would require additional costs for cleaning, caretaking or other expenses.
- 5.3. An academy will seek to recover any costs incurred by it which are unavoidable and result directly from the cancellation of a letting. Details of the cancellation charges are shown in **Appendix 3**.
- 5.4. LGB's are mindful of their responsibilities in safeguarding the academy from bad debt. Therefore, payment in advance or at the time of booking is the normal practice unless otherwise agreed with a representative of the academy lettings or finance team. Bank transfers (BACS), cheques or cash are all acceptable forms of payment. A receipt will be issued upon request from our accounting package upon allocation to the provided invoice.

## **6. Non-payment**

- 6.1. Any extensions to credit should be discussed with the Finance Manager/Officer of the academy. Where there are exceptional reasons short term credit extensions may be agreed, where local organisations and individuals satisfy credit worthiness.
- 6.2. In all cases an academy reserves the right to withdraw credit facilities where prompt payment is not received. Where credit facilities are withdrawn, or there is evidence of non-payment of invoices (amounting to bad debt) an academy reserves the right to cancel future bookings and withdraw any hiring arrangements in any trust facility until further notice
- 6.3. In all cases where credit is extended, an invoice will be issued. Credit will not normally be extended for lettings where the invoice value is less than fifty pounds (£50). The Governors have chosen to delegate the approval of credit facilities to the Finance Manager who will maintain a list for the guidance of administrative staff. In all cases where credit is advanced the invoice is to be raised at the time of booking.

## **7. Security and health and safety**

- 7.1. LGB's will not normally insist upon continuous caretaking presence. However, they reserve the right, and delegate power to the Lettings and/or Site Manager, to insist upon caretaking presence where in their professional opinion the nature of the hiring may leave the academy vulnerable to theft or damage.

## **8. Complaints**

- 8.1. For any customer using academy facilities who are unhappy at any element of the lettings arrangements they should raise their complaint with the nominated Manager (or nominated officer) in the first instance.
